

HHPS – Worksheet

With the help from your parent or guardian, please find at least three household products that have one of these hazardous household product symbols, though you may find more. For each, write the product name and draw the corresponding hazard shape around the symbol. Label the top row of the table with the following terms: Corrosive, Explosive, Flammable, Poison.

Name: _____

Household Product Name	_____	_____	_____	_____
_____				
_____
