

# Assignment #6 – HHPS Worksheet

With the help from your parent or guardian, please find six household products that have one of these hazardous household product symbols. For each, write the product name and draw the corresponding hazard shape around the symbol. Label the top row of the table with the following terms: Corrosive, Flammable, Poison. (15 marks)

Name: \_\_\_\_\_

Household Product Name	_____	_____	_____
_____			
_____			
_____			
_____			
_____			
_____			

2a. What does the inverted triangle symbol mean? \_\_\_\_\_ (1)

2b. Find an example of a product with this symbol. \_\_\_\_\_ (1)

### 3. Presenting a Safety Rule

Create a safety rule poster, PowerPoint presentation, or comic strip based on a safety rule of your choice. Your poster or comic should clearly show your rule. Submit your safety rule poster, PowerPoint or comic strip to your teacher. Watch the Claymation Safety Video for ideas. It can be found at:
